We're early risers who dissect pigs and study Shakespeare at 7:25 in the morning. We've completed two and a half classes before the average mall even opens.

It's Who We Are.

It's Who We Are.

We're athletes and fans who ride busses all over the Merrimack Valley to foster our Indian pride.

It's Who We Are.

It's Who We Are.

We're band members, community volunteers, future teachers, environmentalists, actors, and activists.

It's Who We Are.

It's Who We Are.

We're friends, neighbors, classmates, and citizens coming together as a community of individuals who learn, laugh, celebrate, and mourn together.

It's Who We Are.

It's Who We Are.

We're multicultural and diverse, independent and iconoclastic. Strong, steady, determined, ready to look back this one last time and then move on.

Sophomore
SEMI-FORMAL

We, the class of 2002, held our sophomore semi-formal at Billerica's Irish American Club on April 28, 2002. This was our first time dancing the night away with our classmates. As soon as we entered the room the fun began. All the people we had seen everyday in school seemed glamorous as they posed for pictures and enjoyed the music. When we needed a breather, our hosts treated us to a buffet dinner. After our night of enjoying music from today and from our past, all we could think was when we could do this again. That night we proved what good looking guys and gals we were. Our class really knew how to have a good time.

Top Left: Kaila Hajjar and date enjoy the evening.

Top Right: Ryan Yutkins and date pause to pose!

Never Had A Dream Come True

JUNIOR PROM

The Junior Prom kicked off at 7 p.m. on May 11th, 2001. Everyone was in a rush coming home from practices, games, and hair appointments! However, we were all ready on time and the couples were on their way to the "palace." Everyone looked great when they arrived at the Sheraton Tara Hotel in Nashua, NH. As we entered the hotel we waited in line for our pictures to be taken. The DJ then got the night started by playing some games and getting us out on the floor! Then we found our tables and had a sit -down dinner. After dinner we all got back on the floor as the DJ threw out prizes to keep the energy going. We all danced the whole night and had a great time. We ended the evening in our dates' arms dancing to "Never Had A Dream Come True." For many, that night was a dream come true! Everyone left with a prize, plenty of snapshots, and—most importantly— great memories!

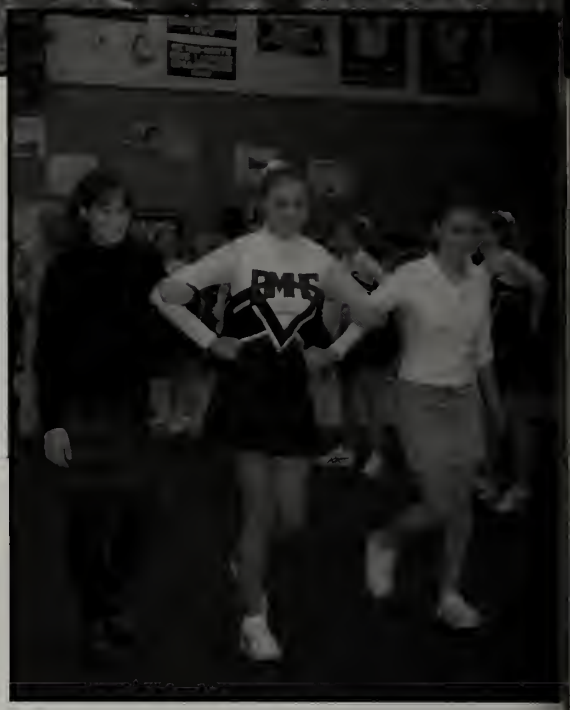
Spirit Week

VICTORY

For the second straight year, the class of 2002 reigned victorious after a week full of friendly competition during BMHS's traditional Spirit Week. Throughout the week before Thanksgiving break, seniors participated in Patriotic Day, Celebrity/ Decade Day, Hawaiian/Beach Day, and the ever popular Pajama Day. The seniors also battled the underclassmen in the always exciting Penny War, which supports the Billerica Food Pantry. At the end of the week the seniors were announced as the winners, but it was the Food Pantry that achieved victory, receiving over $5000.00 in donations from the whole school.

We're #1

PEP RALLY



Before the pep rally, classmates gathered together to decorate t-shirts and faces to show their overflowing amounts of school pride. A flood of green and white poured into the gym where each class tried to display the most school spirit. Along with the fall sports captains' speeches, our beloved Mrs. Ouellette celebrated her final pep rally with us. The seniors held their heads high knowing that we were the spirit week champions. All of the spirit shown at the rally pumped up the football players for their game the next day against our rival team, Chelmsford. As always, the football team marched in with an array of strange hairstyles. Finally, who could forget Sean Hutchinson's "worm" dance? Not the class of 2002.

Thanksgiving Game

This yearís traditional Thanksgiving Day game was on November 22, 2001, and was held at home at the Marshall Middle School field. The team got pumped at the rally and their pride showed throughout the game in front of a crowd of 4,000 people. The team went into the game strong but also knowing they might not be victorious. The Indians unfortunately fell short against our rivals, the Chelmsford Lions. The game ended at a score of 24-14. In the unusually warm weather the game was played hard and was led by the senior captains Brian Meuse, Sean Glavin, Ryan Danehy, and Dan MacKay. After a year of working hard, we played with pride and determination.

Top: The fall cheerleaders warm up the crowd.

Above: Strategy, strategy, strategy!

We Are the Class of 2002:

Individuals, couples, cliques, community

Insiders and outsiders. Leaders and followers.

Extroverts and introverts. Optimists and pessimists.

Those who say, "Let's get it done now," and those who ask, "Can I have another day?"

Those who sprint and those who go for distance.

Those who party and those who party a lot.

Those who talk and those who listen.

But all Indians, all the way. It's Just Who We Are.

It's Who We Are

In Loving Memory of
Michael J. Donovan

I would like the memory of me to be a happy one. I would like to leave an afterglow of smiles when day is done. I would like to leave an echo... whispering softly down the ways of happy times and laughing times and bright and sunny days. I would like tears of those who grieve to dry before the sun of happy memories that I leave behind when day is done.

ear Graduates,

raduation was a time for joy and for some apprehension about e changes that the future holds. Each of you will be meeting ew people, seeing new places, and taking on new responsibilies. Hopefully, the four years you shared with us have prepared ou well, academically, socially, and emotionally. I am confient that that is the case. Your presence as a graduate was vidence of your abilities to take on obstacles of all sorts and ucceed in overcoming them.

he graduating Class of 2002 was a group of strong individuals ho will surely succeed in life for you have demonstrated, among your other qualities, a resilience that ill leave no future- barrier insurmountable. You have displayed a capacity for compassion that touches he soul. During your senior year, you witnessed a national trauma, and you experienced a deep sense of oss right here at home. You remained, however, undaunted, fortified by your capacity to persevere, trengthened by your willingness to remember, and steadfast in your focus upon the future. You, the raduating Class of 2002 learned that experience is ultimately your most personal, profound, and mportant educator. That lesson will stay with you always, and will remain your great asset in succeeding n the future.

Ve, at BMHS, hope that we have in some way shared some of our knowledge, cooperative spirit, and nderstanding with you. Miriam Buckley

Miriam Buckley served the students of Billerica as teacher, advisor, and math team coach for more than thirty years. A dedicated teacher, Ms. Buckley-- alias Mim, the Buck, and other student-generated names--arrived at BMHS in September of 1967 full of vim and vinegar and ready to go. Through the years she refined her teaching skills and taught at all grade and ability levels. Her sense of humor and love of her subject remained constant. Many have been inspired to pursue the teaching profession by her example, including Ms. Biagiotti and Mrs. Hamelin who were once Ms. Buckley's students. Even now, former students continue to contact her, and some current students say they are glad to be graduating because "the high school won't be the same with Ms. Buckley gone. changed who we are.

Gary Cox

Over his thirty eight years of teaching math, Gary Cox has done an outstanding job of reaching all the students in his classes, especially those who might be classified as "mathphobic." This former math club, ski club, and NHS advisor was a perennial choice for best sense of humor in the teacher superlative voting. In his role as president of the Billerica Federation of Teachers and as a concerned faculty member, Mr. Cox enjoyed speaking out and demanding answers to hard questions during difficult times. His humor, classroom skill, and concern for BMHS will be sorely missed.

Over the last thirty-four years, Mr. Roger Richard has sent his students out into the world of business with keyboarding, accounting, and data processing skills essential to their careers. This business-like man possessed a wicked sense of humor and a rigorous classroom style, a dangerous combination for students who slacked off. Today's BMHS student may not know of Mr. Richard's key role in developing BMHS's hockey program. He drove the team to three state championships from 1975-1977, years during which it seemed we were always at Boston Garden. Mr. Richard looks forward to more wins in golf tournaments from here to the Cape. Look for him on the links.

Mr. Perry began his service to Billerica schools as a teacher in 1965, a time when Billerica was developing into the complex system of schools it is today. He began as a middle school teacher, then became assistant to the social studies department chairman I the new Locke. Mr. Perry made his transition to the high school a few years later, developing elective choices for students in psychology, sociology, and local history and government. Mr. Perry was a dynamic teacher, passionate about ideas, who communicated the responsibilities of citizenship and democracy to upperclassmen o the brink of finding their place in the world. His place here will be hard to fill.

Paul Cox

It's safe to say that when Paul Cox joined the Billerica Music department things were never the same. The BMHS choral department and the Friends of Music grew and thrived on his watch. The America musical catalogue of hits came alive on stage for a generation of students and Billerica residents because his hard work and drive fostered the same in others. Many of his former students have become professional performer themselves. "PC" kindly postponed his retirement to serve as Assistant Superintendent of Schools in Central Administration to help the system out with his considerable curriculum expertise. Dr. Cox looks forward to a lively retirement.

The upbeat and positive teacher, son of parents who worked for the school department as well, has even been called "Sunshine" by his students. He coached football and powderpuff football through the years also. Recognized as one of this year's faculty superlatives, Mr. Doherty will leave big shoes to fill at the Y intersection in the Memorial Building. Boys Soccer

We are the boys 2001 varsity soccer team and we had an all around good season. Our season finished up with a record of 9-9-2. Every player on the team put his all into every game throughout the entire season. The team made it into the Division 1 North Tournament, where in the first round we defeated Somerville 1-0. We then went on to play Medford I the second round. We evened the score at one goal each in the second half, forcing the game into overtime golden goal play. Although Billerica did not triumph in the end, both teams could have walked away with a win. Senior captains Kenny Christainsen, Joel Evitts, Tom Gramzow, and John Gray along with seniors Ryan Sears, Billy Vacca, and Dave Zekanovic led us to a great season. Congratulations Boys Soccer 2001.

Girls Soccer

The Billerica Girls soccer team began their season at the end of August with the Merrimack Valley Soccer Camp. Their first game took place on September 6, 2002. It only brought disappointment to the lady Indians. Hopes for a promising season were slowly slipping away as they lost their very first game 2-1, and they finished their first four games with a 0-4 record. There was some light at the end of the tunnel however, when the girls won their next two homes games against Haverhill and Franklin.

The girls struggled for the rest of the season and they needed to win their last four games to even make states. The girls succeeded with a 3-2 win over rival Andover, whom they hadn't beaten since 1998. They finished the season with an 8-8-2 record. The Billerica girls soccer team had achieved their goal of qualifying for states for the 15th consecutive year. They lost their first game in a close 1-0 match against Acton-Boxboro. Despite this loss, the team achieved their goals and had a successful son in their eyes.

Girls Volleyball

The 2001-2002 BMHS Volleyball Team had one of its greatest seasons. The captains were the three seniors on the team: Allison Cataldo, Wendy Riddle, and Kathleen Quin. They helped lead the team to an 18-4 season. The team started out strong and won many of the games in the beginning. Kathleen Quin, Katie Mara and Leanne Albrecht defended the back row with awesome defense and digs. Wendy set up the offense with her sets while Meaghan Lee, Allison Cataldo, Kim Price, and Erin Mosely controlled the net with blocks and kills.

The team became MVC champions and went to the tournament. In the first round they beat Lawrence and went on to the semi finals. Unfortunately they lost to Andover. They had a great season and played with great intensity. Even though the season ended earlier than expected, the friendships continued on afterwards.

Driving Away the Competition

Golf

The Billerica Golf team had a successful year to say the least. We started off the year terribly and losing the majority of the first eight matches. It wasn't easy for us, we had many tough matches at the beginning of the season, but we tried to stay positive to try and turn things around.

When it all came down to the last three matches that we needed to win to make the State Tournament, we were pretty nervous. However, this is when the team came together as one for the first time all season, not just with the golf final. We won those last three matches and ended up finishing fifth at the State Tournament. We were only four shots shy of making the final cut. Out of my four years in high school, I was most proud of the 2001 Billerica Golf Team.

Getting in the Mood

Fall Cheering

This past football season, the BMHS Cheerleaders competed for the second straight year. We had to overcome a few obstacles to even get there, and we did it. Competition was not a success for our team, but we had a lot of fun getting there.

Overall our season was a huge success. We worked very well together as a team. New coach Megan Flynn did so much for us and always made sure we had fun. Seniors include Annie Desharnais, and Captains Katie Brooks and Jenny Colon.

Football

The 2001 Billerica Indians Football season was one that will go down as one of the most memorable. The hard work and resolve all season long reflected the way they played, with heart and unyielding determination. From the stands, you could feel the support the team had all season and the team gave their best on the field to deserve that support. The Merrimack Valley Conference proved to be one of the toughest this year and the Billerica High Indians were no exception. With a 6-5 record, they posted victorious against Burlington, Beverly, Methuen, Andover, Dracut, and Tewksbury. The season, however, would be remembered for the pivotal game against the Lowell High Red Raiders as the two undefeated teams battled it out mid-season. Billerica unfortunately, came out on the short end after a double overtime, as a pass-back-to-the-quarterback in the end zone, won it for Lowell. The *Lowell Sun* was quick to write that the game would surely be remembered as a "classic."

The seniors led the squad with quad-captains, Bryan Meuse, Dan MacKay, Sean Glavin, and Ryan Danehy, as well as, the great senior leadership displayed by Sean Hutchinson, Jimmy Dangelo, Glenn Card, Chris Griffin, Sean Ostler, and Mike Ames. First Team All-Conference accolades were awarded to Ryan Danehy, Bryan Meuse, Dan MacKay, and Sean Hutchinson with Sean Glavin and Mike Ames getting the Second Team All-Conference nod. Dan MacKay's 99-yard pass reception from junior quarterback, Kevin Graham in the second game of the season against Beverly, was one for the record books.

The seniors are grateful to Coach Flynn and his coaching staff for the four years of dedication, effort, leadership, and discipline. The 2001 season will always be remembered by seniors because of the endless hard work of everyone involved. The seniors are proud to have been part of the Billerica Football Tradition.

2001 Billerica Memorial High School Football Team

Marching Band and Silver Jade Color Guard

The Billerica Memorial High School Marching Band and Silver Jade Color Guard had a very successful season. Their fall program consisted of Sinfonia Voci and Ballet Sacra composed by Holsinger and arranged by Danny Lutz. This was the first year they participated in the newly-formed marching band circuit known as the Musical Arts Conference (MAC). The band and color guard placed first in three out of four competitions they participated in. As usual, their annual Billerica Invitational Marching Band Competition was a complete success. At Division III Finals, they received their highest score of the season: 96.4.

The most anticipated endeavor of the marching band and color guard this year was their participation in the Fiesta Bowl Parade and Field Competition in Phoenix, Arizona. In competing against the nation's most superior bands, they received second place in their division in the Fiesta Bowl Parade. In the field competition, they competed against 14 bands and missed Finals by only three places. Highlights of ;their trip to Arizona included the Grand Canyon, Organ Stop Pizza, Kiwanis Wave Pool, Alice Cooperstown, and the Fiesta Bowl New Year's Eve Party.

The senior members of the band are as follows: Steve Ames, Matthew Brooks, Ashley Buckland, Tom Ciovacco, Danielle DeCesaro, Grant Fitch, Mike Glennon, Kan Linszner, Lauren Mullins, Mike Naughton, Jessica Rebilas, Sarah Rebilas, Laura Rogers, Tania Russo, Heather Sullivan, Holly Thompson, Erin Walsh, and Ryan Yutkins. Boys Cross Country

This Year the boys Cross Country Team repeats as Merrimack Valley Division II Champions. The team was looking forward to a great season and in the end was very satisfied with a repeat championship. This feat was accomplished primarily by defeating Tewksbury, Dracut, Lawrence, and Andover.

The team was led this year by co-captains Ryan Gough and Dave Horsman, Junior Christian Tirella, Ryan Allen, sophomore John Martell, co-captain Devin Hagan, Kevin Brennan, and sophomore Steve Murray. Seniors running well for the team were Steve Geisser, who completed his forth season of cross country along with the co-captains Ryan and Devin, Eric Richard and Nimit Barochia who doubled as team manager as well.

All the Indians ran well this season, but Ryan Gough, Dave Horsman, and Christian Tirella received special honors form the league. Ryan received All-Conference honors and Dave and Christian received All-Star Honors. Ryan also set a new BMHS course record at Franklin Park by running a blazing 16 minutes and 24 seconds. Coach Grandfield was also awarded a well rewarded Division II Coach of the Year by the league.

Girls Cross Country

This year the Girls Cross Country Team may have had a tough season, but they made the best out of it and always had fun. Starting off the season with their two best runners, sophomore Jess Wilson and senior Danielle Chartier injured, the team knew they would have to work even harder to make up for the losses. Captains Rachel Meltzar and Ali Torrice tried to encourage the team, and always made it as fun as possible.

With only one win, against Lawrence, the team never gave up. Race times steadily improved, making coach Pat Murphy extremely pleased. Always encouraging his team, Coach Murphy told the girls that effort and improvement meant more to him than winning. With the help of his positive attitude, the team was successful in working hard and enjoying the season.

Much of the team excelled during the season, finishing well at the League Meet and also at States. Ali Torrice came out of the season al a League All Star. Each and every girl on the team showed support and improvement throughout the fall, and surely remember their 2001 Cross Country season.

Swimming and Diving

The Billerica swimming and diving team had a great 2001 season. We were undefeated and MVC champs for the second year in a row. We had tough competition this year with our newest rivals Central Catholic, but we pulled together as a team and defeated them. There were many records broken this season by numerous swimmers. Our divers were a great help to us when it came to winning out meets.

This season everyone made new friends and we had a lot of fun as a team. We would have pasta parties at the seniors' houses the night before a meet. We also had a lot of fun at the sleep over which was held every year at Chrystal's house thanks to her parents. We had a lot of support from our family and friends who were in the stands cheering us on at all our meets. Thank you to them. Through all of this we had great coaches Anthony Fiore and Donna Gibson. Also we had a great diving coach Desiree Dellanno. Thank you for all your help and support. Good luck to the team in the future years and thanks for all the great memories.

Wrestling

The wrestling team had an improving year this season. They were lead by captains Jim Ferola, Brendan Roach, Danny Fitzpatrick and Mike Ames. Other varsity standouts this past season were Paul Capone, Mike McGarry, and Steve Ames. The team competed in the prestigious Lowell Holiday Tournament, Wayland Holiday Tournament, and Weymouth Tournament. The wrestling team had it's highlights this season by a tremendous comeback to defeat Chelmsford. At the end of the season Billerica had five wrestlers (Danny Fitzpatrick, Mike Ames, Paul Capone, Brendan Roach, and Mike McGarry) compete in the State Tournament. Danny Fitzpatrick and Mike Ames also went on to compete in the All-State Tournament. Billerica had a successful building year as a team and wishes all of their seniors good luck in their post-BMHS lives.

Boys Basketball

In the 2001-2002 Billerica High basketball season, the boys did what they do best and that is to win. The boy's season this year reflected the senior leadership as they had one of their best seasons in a while. The team went 13-8, making a State Tournament birth. This was accomplished by the leadership of the four captains: Bryan Meuse, Ryan Danehy, Dan MacKay, and Sean Glavin and the big plays of Kevin Brennan. As a result of their strong play, Bryan Meuse, Dan MacKay, and Kevin Brennan were rewarded with end of the year honors. Dan MacKay received MVP honors, while Bryan Meuse received All-Conference honors, and Kevin Brennan garnered All-Star honors. These award-winning players were helped by Sean Glavin and Ryan Danehy who helped "pave the way" for the three scorers, doing the dirty work underneath. Together with the underclassmen: Marc Colangelo, Tom Ellis, Andy Gearin, and starter Christian Tirella, they led the team in accomplishing a winning season that just missed making Co-Champions by one game. Still they cannot go without thanks to Coach McDermott, Coach Dagle, and Coach Burns who showed them leadership, discipline, and the way to win.

Girls Basketball

Going into the girls' basketball season the team knew it would be a tough year but not something that we couldn't handle. Even when injuries occurred we played our best, even when the odds were against us. Every game we played we went into it giving our all. Each team knew we meant business. For example, against Dracut we went into three overtimes! That game showed everyone that we weren't going to give up, and we didn't. Even though things went differently than we had expected, we let everyone know that we were a tough team to beat.

Winter Cheering

The 2001-2002 season of basketball cheering was by far a great one. As a team, we accomplished so much, we went to competition and place second in the Merrimack Valley, allowing us to move onto Regionals. Although we were unable to place there the experience of making it that far was well worth it.

This year was the first time All-Conference and All-Star awards were given to cheerleaders. Katie Brooks and Andrea Vozzella received All-Conference and Katie Hebert received All-Star.

A lot of hard, team work allowed for this team to be successful. The fun never ended and so many memories were made. Seniors include Annie Desharnais and Captain Katie Brooks.

Boys Hockey

In a season of up and downs the Billerica High School Hockey team really shows a great deal of character, determination, and heart in a season the will never be forgotten. The Indians had a very successful season finishing the regular season with a 14-2-4 record; they also went on to the Super 8 quarter-finals before losing to Hingham to end the season. As the regular season winded down, the whole community of Billerica was shocked as Senior defenseman Mike Donovan tragically passed away. Donovan, who was the star defenseman on the team, was not only the ideal teammate, but he was also a genuine friend to all. The Indians dedicated the remainder of the season to Mike and as he watched on, they made him proud. Billerica Senior captains Jarrett Scarpaci, Rob Fanning, Bryan Calabro, and Mark Morreale were the four leading scorers on the team all with 40 points or more. Senior defenseman Jon Hutcheon had 10 assists on the year for Billerica.Successful goal scorers this year for BMHS were Ryan Kelly, Andrew Scarpaci, Steve Salemi, Dennis McCauley, Brendan Ronayne, Sean Price, Matt Kneeland, and Pat Fallon. While Defensemen Derick Tsoukalas, Joe Cameron, Adrian Peacock, Dan O'Connell, Evan Spencer, and Derek Guittar all were key factors for Billerica. All-star goaltender Ryan McCauley did his part in the long season, capping an outstanding 1.72 goals against average. Backup goalie Chris Curtis also had a decent year with a record of 2-0.-2001-2002 Billerica Hockey (15-4-4) Michael James Donovan 2-1-052-

Although the Billerica gymnastics team was last year's Division II tri-champs, this past season proved to be a difficult one. Juniors Wittala and Jenna Lundquist, sophomores Genevieve O'Neill, Michelle O'Donnell, and freshman Jessica Bejian, Courtney Bishop, and Jennifer Bauer all tried their hardest and stuck together as a team. Running Like the Wind

Boys Winter Track

Though the boys winter track team might have had only one win the team grew and improved dramatically by the end of the season. The Indians were led by Captains Ryan Gough, Kenny Christiansen, and Sean Hutchison. Other Seniors running well for the squad were Tom Gramzow, Ryan Allen, Sean Ostler, Eric Richard, Devin Hagen, Dave Spivey, James Campell, and Kevin Miller

The Indians did triumph over Dracut indoors this season with help form the usual key performers. Tom Gramzow led the way in the 300 every time he stepped on the line. Kenny Christainsen always made his way to the front of any 600 race. Ryan Gough was almost always an assured five points if he were running the 1000 or the mile. And Ryan Allen always gave his all in the grueling two mile which could be more than twenty laps indoors.

But, if the season could be summed up in one word it wound be "Hutchariffic." Sean Hutchinson was amazing during the indoor track season. He broke the schools previous record of over fifty feet and then proceeded to break his own records over and over again. Sean won Class A, then the All-State Meet, and the New Englands this winter, accomplishing the triple crown of Track, which in any runners mind is much harder for any guy than a horse.

Next years team will be growing and improving their times. They will be led by Ryan Hutchinson in the hurdles and high jump, David Innis who will be going after Sean's records in the shotput, James Regis in the sprints, Speeziale in the sprints, and Jason McNamara, Matt Knowles, Steve Murray, Mike Moore, and David Snook torm the 600 right up through the two mile. Good luck next year Indians.

Boys Baseball

The Billerica High Baseball team had a great 2002 season. They started with a no hitter from Jim Wilson in the first game of the season. Although they lost a couple of games in a row after the no hitter, they had a win against Dracut with more great pitching from Wilson. They also had some great offensive plays from Sean Glavin, Mark Morreale, and Kevin Brennan. The team then had a skid when star shortstop Morreale and lefty starter Kevin Graham both came down with Mono. After a tough loss to Chelmsford the boys of Billerica needed to win 5 of 5 to make the playoffs. They could have packed up and finished the season, but the boys went ahead to win 5 in a row to make the playoffs with help from seniors Ryan Gough, Bryan Meuse, and Glavin. In the playoffs Billerica faces Haverhill for the 3rd time in the season, losing both times before. Billerica won the playoff game to advance and ended the season in Lexington with a tough loss.

The 2002 season was led by senior quad-captains Wendy Riddle, Allison Cataldo, Ashleigh Belanger, and Missy Laing. Other seniors include Katie Brook, Elise Ritchie, and Danielle Chartier. Juniors were Kim Price, Christina McWilliams, and Leanne Carmichael. Sophomores include Jessica Wilson, Erica Kelley, Katie Mara, and Jen Rizzari. Coaching staff included Head Coach Higgins, Assistant Coach Miner, JV Coach Murphy, and Freshman coach P. The very helpful managers were Erin Mosely and Nicole Lucey.

This team was a very fun one. Through good times and bad, like losses and broken noses, this team was always positive. When it comes down to the final regular season games, we found ourselves struggling to make the tournament. We fought all the way and squeezed in with a 10-10 record this team came together when we needed to most.

Wendy Riddle and Jessica Wilson were named All-Conference All-Stars and Elise "The Bat" Ritchie was named All-Star. These three players were strong assets to the team.

Leave Them in the Dust

Boys Spring Track

The outdoor season was more about personal improvement for this years squad. Due to a shortage of numbers the Indians went winless. However, this season was not short of personal victories and accomplishments. The squad was led this season by Kenny Christainsen, Devin Hagan, Tom Gramzow, and Sean Hutchinson with this Dave Spivey as honorary captain for the Indians last meet of the year.

It was another amazing season for the throwing team this season led by Sean Hutchinson and David Innis. The two were automatic nine points about 90 percent of the time that they stepped into the circle. Sean continued his dominance in the post season where he won Class A, and then All States, and awarded third place in and amazing round of the New England shotput event. Though Sean threw so far he was given the chance to compete in nationals this June down South against the best shotputters in the country. Dave Innis was also terrific throughout the entire season and will surely be putting plenty of points up on the board next year for the Indians.

Newcomer Christian Tirella was amazing in not only the 400 but also the high jump. He helped to fill in some needed spots vacated by the numerous graduates form the year before. Ryan Hutchinson also performed well in the ;high jump and the high hurdles. Tom Gramzow ran terrifically in the 100 and 200. Kenny Christainsen always ran his hardest in the 800 with Jason McNamara and Mike Moore constantly on his heels. Devin Hagan always had plenty of company in the mile with Tim Allen and Shoaib Malik always competing for the top spot. Steve Murray loved running the two mile all season long along with David Snook who also doubled up with 300 low hurdles. Snook also ran with James Regis and Mike Cole.

Good luck to the graduating seniors and to next years team.

Race to the Finish

Girls Track

Lead by a large group of seniors, the girls spring track team accomplished many goals. Though their record may not show their success, but the amount of effort they put in for their team does. Many people stepped up and got vital points for the team when they had to. There was no shortage of willingness to fulfill the needs of the team. The three senior captains Alli Locke, Kristen Green, and Sue Columbus all received much support through out the season from their coach Linda Berand and teammates. The Success of the team would not be possible without all of the senior leaders who are Emily Thomson, Casey Grondin, Ali Torrice, Sarah Smulligan, and Ann Desharnais.

State Champions

Boys Lacrosse

The 2002 boys lacrosse team started the season with the tragic loss of one of its most popular and productive players, Mike Donovan. Dedicating their efforts so their teammate and friend, the former State Champions, playing in one of the toughest schedules, that included eleven teams that made the State Tournament, finished the season with a 10-9 record and qualified for the state tournament. They were crowned Merrimack Valley Champions for the second year in a row. In tournament play, they advanced with a victory over Braintree only to lose to the eventual state champions, Duxbury. The squad was led by senior captains Ryan Danehy, Pat McNamara, and Chris White, as well as seniors Bryan Calabro, Jim McHugh, Jim Ferola, Jim Campbell, Jarrett Scarpaci, and Matt McCarthy. The Billerica Laxmen garnered several awards for their efforts. All-American attackman, Ryan Danehy, who finished his career with over 300 points for BMHS, was honored as Most Outstanding Player for 2002. He was selected to the Lowell Sun All-Star Lacrosse First Team. Pat McNamara with a team leading 70 goals and 26 assists was also selected to the Lowell Sun All-Star Lacrosse First Team. Both were selected to the Merrimack Valley All-Conference Team, along with, Jarrett Scarpaci, Chris White, and Jim McHugh. Senior attackman, Bryan Calabro received the BMHS Good Sportsmanship Award. Senior defenseman, Jim McHugh was selected for the BMHS Coach's award and senior midfielder Jim Ferola was selected as the BMHS Most Improved Performer. Coach Grant Whiteway, along with his assistants, Chris MacInnis and Chris Burns, took over the team in 2002 and led them to a winning season getting the most out of each of the players.

Cradle the Ball

Girls Lacrosse

Coming into the season we had mixed feelings about how the team would do throughout the spring season. A lot of pre-season effort was put into effect as early as November. Team co-captains Katie Devlin, Stephanie Glavin, and Laura Strom have had a strong impact on the teams moral. First year senior Marta Rodrigues definitely took a step up during difficult games as a defensive midfielder.

The Season has gone surprisingly well although there were some upsets, we all stuck together in order to provide a winning record.

Boys Tennis

This season was a rebuilding period for the BMHS boys tennis team. The young team was coached by Mr. Severo. With only two seniors on the team this year, the rest of the team consisted of freshman, sophomores, and a couple of juniors. Although the team finished the season with more losses than wins, everyone always kept a positive attitude.

Senior Co-captains Brendan McGrath and Adam Laferriere played second and first singles, while junior Kevin Sheppard occupied third singles. The double teams were continuously changing. A few of the key double players included Matt Knowles, Matt Uglietta, and Andrew Thompson. Two of the team's biggest wins came versus Lawrence, but nothing beats the team's victory over Haverhill to end the season.

Next season the team look to be state tournament contenders. Most of the team will be returning starters, giving the team the needed experience which they didn't have this year. The seniors thank the team for a fun season and wish them luck next year.

Girls Tennis

The Girls Tennis Team had a great season this year. They finished second in the Division II Merrimack Valley Conference and they qualified for the State Tournament. Their overall standing was 6-12 and in their league, their standing was 6-12. The two co-captains in the team were Jessica Granfield and Hannah Chavez. Seniors included Kathleen Quinn, Holly Thompson, and Erin Walsh. Juniors Jenna Dupre, Jaclyn Fitzgerald, and Nicole Fitzgerald sums up the Varsity Team. Coach Shirley Granfield took care of the girls and led them to a victorious season. Tennis is fun! "It's the game with a little LOVE in it!" – Mr. Perry

Boys Volleyball

This year we went through a rough season having a record of 0-18. It was especially hard on the team because three out of the starting six players were sophomores. I am especially proud of the team because even though we had a losing record, not even winning a match, we all stayed together and supported each other and learned form each other. The team will be back next year to make a change at the record so be ready. Thank you for a great season. Captain Ryan Magnuson.

B.M.H.S. Theater Company Presents "The Importance of Being Earnest"

"The Importance of Being Earnest" was written by Oscar Wilde in 1895. Filled with wit and wisdom, the drama tells the tale of Jack Worthing (Greg Mason) and Algernon Moncrieff (Cody Mitchell). Both men have taken to bending the truth in order to add a dash of excitement to their lives. Jack has invented an imaginary brother, Earnest, whom he uses as an excuse to escape his home in the country and frolic in London. Algernon uses a similar technique, only in reverse: his imaginary friend Bunbury provides a convenient method of taking his adventures in the country. However, their deceptions eventually cross paths, resulting in a series of amusing crises that threaten to spoil their romantic activites: Jack's pursuit of Gwendolen Fairfax (Jesse Pandolfo) and Jack's love for Cecily (Courtney Marshall).

It's What We Did!

Learned a Scottish accent and wore a kilt for the annual musical

Organized temperamental artists and more temperamental sound equipment for the senior recital

Tripped on the steps getting an award from the principal on award night

Spent $200 and looked even more gorgeous than usual for the senior prom

Enjoyed tennis, horseshoes, basketball, whiffleball, volleyball, swimming, Jacuzzi-ing, and oh, yes, eating at Class Day

Marched, cried, laughed, shouted, embraced, and generally made emotional fools of ourselves at graduation

Played goofy games, won great stuff, and ate enormous amounts of fun food at the Blast

Realized on the way home that high school was over forever

It's Who We Are

Brigadoon!

Lerner and Loewe's Brigadoon was performed this year for the third time in B.M.H.S.'s musical history. First performed here thirty years ago, the play chronicles the awakening of the mystical Scottish town Brigadoon and the amorous adventures of two American travelers who stumble upon it. The play featured outstanding scenery, choreography, and singing. The show starred seniors Tom Mixon, Greg Mason, Grant Fitch, Chris Strassberger, Ben Wan, Joe Aylward, Mike Grealey, Dawn-Marie Fuller, and Marisa Pompei.

Senior Prom

The Senior Prom! For this single night we were all able to bring out the best in ourselves. The seniors assembled at the Danversport Yacht Club for a night of dinner and dancing we would not soon forget. After a delicious buffet dinner the dancing began. Everywhere you looked you found friends enjoying the wonderful music and fabulous atmosphere. Our evening ended with our prom song "Here's to the night," as everyone looked around at the faces of the people they have grown to love over the past four years. Here's to the night we felt alive....

CLASS DAY

A stampede of about 300 kids running down the hills of the Marshall screaming at the top of their lungs could only mean one thing: we were ready to party! After graduation rehearsal everyone was ready to head off to Cedardale/ Groveland to enjoy a day in the sun! Everyone carpooled up to the park to enjoy our last event together as the class of 2002 before graduation. Although it was not the hottest day everyone was ready to jump in the pool and get wet! We played mini-golf, tennis, volleyball and basketball all day long while the DJ entertained us. Whether it was waiting in line for delicious barbecue food, or waiting for the Jacuzzi we all spent the day together and had an awesome time! Of course, what better way to end the event but with Chris Griffin's perfect belly flop - - clothes and all!

Graduation

The day arrived that we, the class of 2002, had been waiting for since our freshman year! The day was June 5, 2002 and the seniors were heading to the Tsongas Arena in Lowell to become high school graduates. As we lined up in alphabetical order everyone looked around and thought of all the memories that we had with our classmates and thought of how much our class had grown together. Excitement was in the air throughout the whole ceremony, especially as we listened to our class president, Steve Venezia, talk about who we were as a class. The realization of what these past four years have meant to each of us was setting in. The arena was filled with both tears and smiles as each of our names was called. But nothing compared to the feeling in our hearts as we jumped to our feet when our friend Mike Donovan's name was announced. We started out as classmates, became good friends, and graduated that day as a family.

"Our class has already shown others how strong we are. We have all watched each other grow closer as we have supported our classmates. After this year's tragedies, people have paid more attention to us. Our unity has shocked most of them. We can bring the strength and determination with us everywhere we go."

Anna Moore
Valedictorian

"Each and every one of us has the potential to succeed. B exerting effort and determination today, we can never fa Even if success does not initially appear, the lessons we lea along the way will build character and wisdom."

We Had A Blast

Post-graduation everyone arrived in their most comfortable clothes for the Blast! At 11:00 p.m. we burst through the doors to enjoy the night's festivities. With everyone still pumped from graduation the energy level was high! We took pictures, made jewelry, played trivia games, watched movies, and sang karaoke together as a class. Sumo wrestling, caricatures, jousting, bungee racing and an obstacle course were also available. At about 4:00 a.m. we crowded together in the main gym where the Blast organizers handed out prizes. Gifts donated by local stores and families included gift certificates and baskets, TV's, DVD players and a computer. The best present, however, was when Dave Barrett received a free manicure! We left that night with our stomachs filled with good food, our arms with prizes, and our hearts with great memories.
